

# IT DIAMONDS

POWERED BY COMPUTERFUTURES

## Talent Leadership in the Digital Age 7th of February 2017, Utrecht

This year's IT Diamonds event focuses on Talent Leadership in the Digital Age, aiming to share the technology sector's best practices on diversity and inclusion. We are proud to showcase some of the leading inspirational professionals in this area, as well as hosting workshops and the opportunity to network with your peers to discuss current challenges.

*"A great networking event! A good opportunity to exchange experiences, the best way to get the ball rolling for new opportunities."*

2015 IT Diamonds Attendee, Manuela Krull-Mancinelli, Blockchain Entrepreneur
